

### Trip Reservation Form

**Complete one for each trip you are interested in attending and mail to trip leaders two weeks prior to trip. Enclose a \$20 non-refundable deposit for each trip (\$10 for day-trips). Some trip leaders may require more for more expensive trips. Make checks payable to each trip leader.**

Let trip leaders know your intentions soon so they can finalize housing and rides. Deposit goes to lodging and food expenses. Drivers collect gas money from riders at the end of the trip. Trips run approximately \$45 (one night) to \$80 (two nights). You will need cash for road food, probably an evening meal, and gasoline. In the past, parents have either provided a blank check made out to the trip leader or promptly settled up with trip leader and/or driver when their child was returned to them (kind of a ransom☺).
